Terms and Conditions

The cattle offered in this sale are from a fully accredited herd for TB, and females are vaccinated with strain 19 vaccine and are sold with a guarantee to conform to the health regulations of any province or state into which they may go. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months of date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported. Any cattle in this sale that are fitted for Exhibition purposes by their new owners are excluded from the above guarantee.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

TERMS—Cash, unless other arrangements are made before sale.

One evening not long ago the time ran into the wee hours of the new day as we perused over our sale lists of the 17 sales previous to this, our 18th Sale. We were humbly gratified to know that Klaymor bred productions had gone into 31 states and into every province of Canada excepting Newfoundland.

We were further pleased to know that our customers down through the years have come back time and time again for our annual sales and have been recorded many repeat times on the sale list. We believe that this encouraging situation is solely the result of our aim to produce breeding cattle of only profitable type, quality and breeding that has assured the investments of the purchasers.

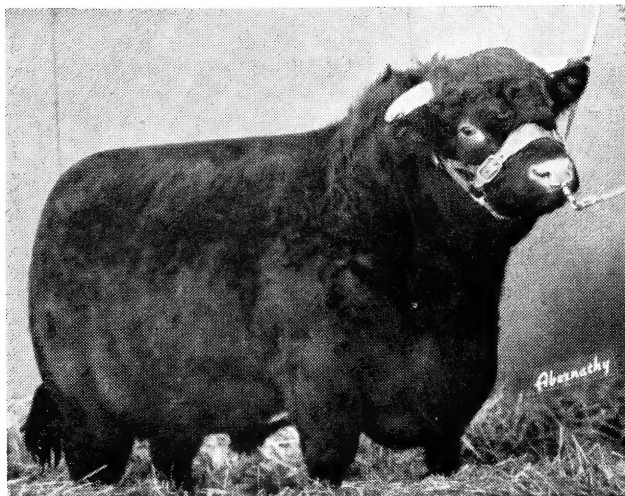

We sincerely appreciate our friendly customers for helping us to establish the proof that down through the years Klaymor cattle have been liked and appreciated.

This year's offering represents really good cattle and many of the females carry the services of our newer herd sire **Kilburnie Augusta Ransom**, spoken of as the favorite bull of the 1954 show circuit at Canada's leading shows and also at Chicago where he was also in the championship listings.

Our loyal employees, by their good efforts, have again contributed in helping to make possible the presentation of our 1955 sale offering. We hope you like them — we know they will do well for you.
